Individual arrival by air to Bergen. Transfer to the hotel and overnight.

Day 2: Bergen

Breakfast.

The 3 hours City tour will give you an entertaining first introduction to Bergen, where your guide will show you the highlights from both the historic and contemporary Bergen. One of the main sites you will be shown is the UNESCO World Heritage site “Bryggen”. Here you will admire the medieval wooden buildings of the hanseatic quarter, the 12th century St Mary’s Church, and also the museums on the premises. If the weather and time allows for it, your guide will take you for a short guided walk through the narrow passages for a closer look of this unique area.

Next to “Bryggen” you will see the Bergenhus Fortress area, with the royal stone hall Haakon’s Hall from the mid 1200s and the renaissance Rosenkrantz Tower. Driving through the city centre you will also see the Funicular station, the Theatre, the Art Gallery street, the main concert hall, shopping areas, and the busy Fish and Flower Market. In the harbour area there will be a photo stop where you have a great view of the city centre and harbour area. During the tour you will also see the characteristic hamlets from the 18th and 19th century, with picturesque wooden houses along narrow cobblestone streets. In the outskirts of the city there will be a view of both modern and traditional residential areas, of the Norwegian Royal Family’s Bergen residence, and the beautiful nature that surrounds Bergen.

Optional in the afternoon:

“Fløibanen” is Scandinavia’s only cable railway and one of Norway’s most popular attractions. From a new viewing platform by the summit station, 320 meters above sea level, you will experience wonderful panoramic views of all of Bergen and the magnificent surrounding landscape of fjords and mountains.

Overnight.
