You are flying from Copenhagen via Kangerlussuaq to Illulissat. Here, you will be picked up at the airport and transferred to the hotel. In the late afternoon, you take part in an information meeting. The local tour guide will provide you with all information which might be important to you and present the different types of excursions which can be booked by you.

Day 2 - 4: Illulissat and day trips

Breakfast at the hotel. In the following you can create your program by taking part in the offered excursions. We highly recommend booking the guided walking-city-tour. Here you will be provided with historical facts and you will see the most interesting places in town.

What can not be avoided is the fact that you will hear some sounds of the many sledge dogs. They belong to the town as much as the inhabitants do. Furthermore, we suggest you to book a tour to Sermermiut, a former home of Inuit people. Visit also the lively harbor and the local market where you can buy everything reaching from meat, fish, and fur to local arts.
